Remember her with a smile today
She was not one for tears
Reflect instead on memories
Of all the happy years
Recall to mind the way she spoke
And all the things she said
Her strength, her stance, the way she walked
Remember these instead
The good advice she'd give us
Her eyes that shone with laughter
So much of her will never die
But live on ever after
As we loved you, so we miss you
In our memory all the while
Loved, remembered, longed for always
Bringing many, many a smile.
