Remember him with a smile today  
He was not one for tears  
Reflect instead on memories  
Of all the happy years  
Recall to mind the way he spoke  
And all the things he said  
His strength, his stance, the way he walked  
Remember these instead  
The good advice he'd give us  
His eyes that shone with laughter  
So much of him will never die  
But live on ever after  
As we loved you, so we miss you  
In our memory all the while  
Loved, remembered, longed for always  
Bringing many, many a smile.
